

Chief Patrick Raymond ● EMS Scholarship Opportunity

Sponsored by Paragon Society

The Chief Patrick Raymond EMS Scholarship was created by the Paragon Society to help the young people of Cambridge gain greater access to the fire service career. It is intended that this scholarship will ease the already challenging path to a fire career. No experience or affiliation with a fire department is required, and we encourage applications from young women who do not have any affiliation with the fire service.

Selection Criteria: Essay
 Letter of Reference (from a non-family member)
 Resident of Cambridge and/or graduate of CRLS

If awarded the scholarship, the recipient must commit to attending all classes, studying a minimum of 10 hours a week, maintaining passing grades, and they **MUST** inform a Paragon Society member if they are unable to complete any of these requirements, and/or if they receive a non-passing grade. We want to help the recipient succeed and will assign a tutor for them should it be needed.
